INFORMATION AND CONSENT ACCORDING TO EU GDPR 2016/679

To be received no later than 07/09/2024 at the following address:
EXTRÊME SPIRITS IC - Cave de l'Enfer - via C. Gex, 52 - 11011 Arvier (AO) - Italia

As provided for in Art. 13 of the EU General Data Protection Regulation (GDPR) 679/2016, CERVIM, as “data controller” of the treatment, is required to provide some information regarding the use of personal data. According to the law, this treatment will be based on principles of fairness, lawfulness and transparency and protection of your privacy and rights.

PURPOSE OF THE TREATMENT

The data provided will be processed for the following purposes:

- purposes strictly related to the management of relationships with suppliers;
- purposes related to the obligations established by laws, regulations, community legislation and by instructions given by authorities entitled to do so (including invoicing and other administrative and accounting obligations);
- purposes related to the development of the Center's activities, for which the interested party has the right to express its consent, such as sending communications, information and advertising material concerning the activities of CERVIM and its members.

TREATMENT

The processing of personal data is carried out using manual, computerized and telematic tools, with logic strictly related to the aforementioned purposes and, in any case, in order to guarantee the security of the data by adopting suitable and preventive security measures pursuant as provided for in Art. 13 of the EU GDPR 679/2016.

The data will be processed by employees, collaborators, executives, directors, auditors according to the tasks assigned to them as well as by external subjects dealing with the accounting or by people who can have access to your data under the provisions of law or secondary or community legislation.

The data will also be communicated to external companies that perform activities strictly related to the management of relations between the Body and the client, with the purpose of:

- publication of the winning wines and the addresses of the relative manufacturing companies;
- printing, enveloping, mailing and delivery of communications to customers;
- sending communications, information and advertising material concerning the activities of CERVIM and its members.

Furthermore, external parties may be involved in carrying out related and collateral activities for the execution of the contract, for payment services and for possible debt collection.

It follows that, without the subject's consent to the communication of the data to the aforesaid subjects and to the related treatments, to be expressed by sending or delivering the stamped consent form to the CERVIM, the Center may give course only for those services that do not require communication of personal data to third parties.

For any further information, the data controller is the following: CERVIM - Fraz. Château, 3 - 11010 Aymavilles (Aosta - ITALY). For the verification of the rights referred to in

Art. 3 of the EU GDPR 679/2016, the person concerned can directly contact the Data Controller.

CONSENT

Taking note of the information provided by the data controller as provided for in Art. 13 of the EU GDPR 679/2016, the person concerned lends the consent for the processing and communication of data relating to the following purposes (tick the boxes to express consent):

Purpose related to the obligations established by laws, regulations, community legislation and by instructions given by authorities entitled to do so by the law (including invoicing and other administrative and accounting obligations).

Purposes related to the publication of the winning wines and the addresses of the relative manufacturing companies and to the printing, enveloping, mailing and delivery of communications to customers.

Purposes related to sending communications, information and advertising material concerning the activities of CERVIM and its members. The above treatments do not contain “sensitive” personal data.

The above treatments do not contain “sensitive” personal data.
